Dig Pig

A desperate pig digs his way through the world of online dating.

Dig Pig tells the true story of Pig and his epic quest to find love through online dating. It's your job to help him dig through Planet Earth to meet his potential hot dates, and it won't take you long to realise that this 13 chapter story, full of fun and addictive gameplay, will be one of the wildest, funniest, and most unpredictable adventures ever told.

- A unique mini game that uses storytelling as a primary means of game progression and engagement.
- Easy to learn, difficult to master dig and play system.
- An amazing 13 chapter story based on true events
- Discover unique worlds and unlock different game modes.
- Real-life google map calculation on where you are digging
- Fresh and unique vector art and illustration
- Great and oinky music
- Optimized for tablets and Android TV

And our reviews all say the same, this will be the next pig thing!

"A dating experiment gone horrible wrong"
- GMO MAGAZINE
